it in - spires _____ the feel - ings ___ that led ___ to this song.

C G A^b7 A m F G C

The rest of the lyrics and melody are ad-libbed, continuing to hammer home the points made in the verse. For accompaniment, repeat these four measures as often as necessary before finally singing: When I was six.

NOTE: In regards to the author's own life, not a word of this song is true.

OR IS IT???????

(No.)
